1981 HURRI - KANE

KANE SENIOR HIGH SCHOOL

KANE, PA.

62nd Edition

The theme of the 1981 yearbook is "REFLECTIONS". Throughout the year, the Hurri-Kane Staff has been carefully recording all the events and happenings around the school. Sporting events, classes, faculty and activities have been covered in an attempt to accurately capture the atmosphere of life at Kane High School. We hope you will enjoy the 1981 yearbook, and hope that in future years it will assist you in "reflecting" back on your high school days.

“REFLECTIONS”

Many times I sit
Idle with my thoughts,
pondering,
Reflecting back,
Shuffling through my memories,
Reminiscent with the past.
And I arrive at but one
conclusion . . .
It's not what you do that
you regret,
It's what you don't do.

The 1981 Hurri-Kane Staff would like to dedicate this yearbook to a man who has been active in the Kane Area Schools for over twenty-five years, and has contributed greatly to its success. We dedicate it to the superintendent of our schools, Mr. Laverne Johnson.

Mr. Johnson started his career in 1954 as a Social Studies and Math teacher at Kane Senior High School. He then went on to teach at the University of Pittsburgh.

In 1961, he became the principal at the Kane Junior High school and in 1969, he became the senior high principal. In July of 1974, Mr. Johnson became the Superintendent of the Kane Area School District.

In order to express our appreciation and gratitude for all you have contributed to our school system, we dedicate the 1981 Hurri-Kane Yearbook to you, Mr. Johnson.

CL

1891

Throughout the year, each class is busy doing its own thing. Sophomores learn to adjust to the atmosphere of high school and also pick out their class rings. The juniors work on their class play and prepare for the Prom. They spend hours planning and decorating for the event and their efforts are rewarded on that special night. Beginning the activities for the seniors is the magazine drive, which is the major fund raiser for the Washington trip in the spring. After the trip to D.C., all will agree that their time and energy were well spent.

IN MEMORIUM

DALE ALLEN WHITMORE

DECEMBER 4, 1962-JUNE 17, 1978

There's an open gate
At the end of the road
Through which each must go alone
And there is a light we cannot see
Our Father claims His own:
Beyond the gate our loved one
Finds happiness and rest
And there is comfort in the thought
That a loving God knows best.

Sports play a very important part in the lives of many students. The long hours of practice and dedication finally pay off when the team, working together, defeats its opponent. It is not only in winning the game where the victory lies, but also within each athlete as he learns self-discipline and confidence, and how to work with others in achieving a common goal.

They are always willing to put forth the extra time and effort to treat each student as an individual with his own special needs. Many of these faculty members also show their continued support of the students outside of the classroom by serving as advisors and coaches of the many organizations and athletic teams in the school.

Sure is embarrassing when I can't find the answer

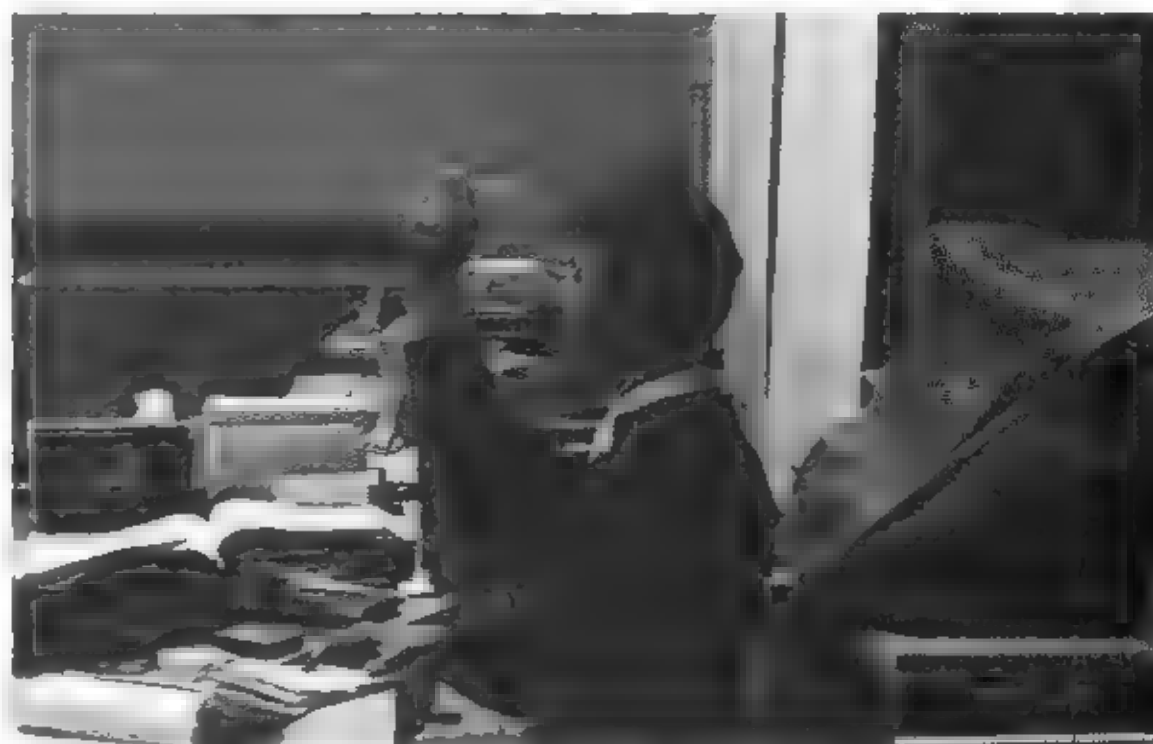

I can't believe she wrote that

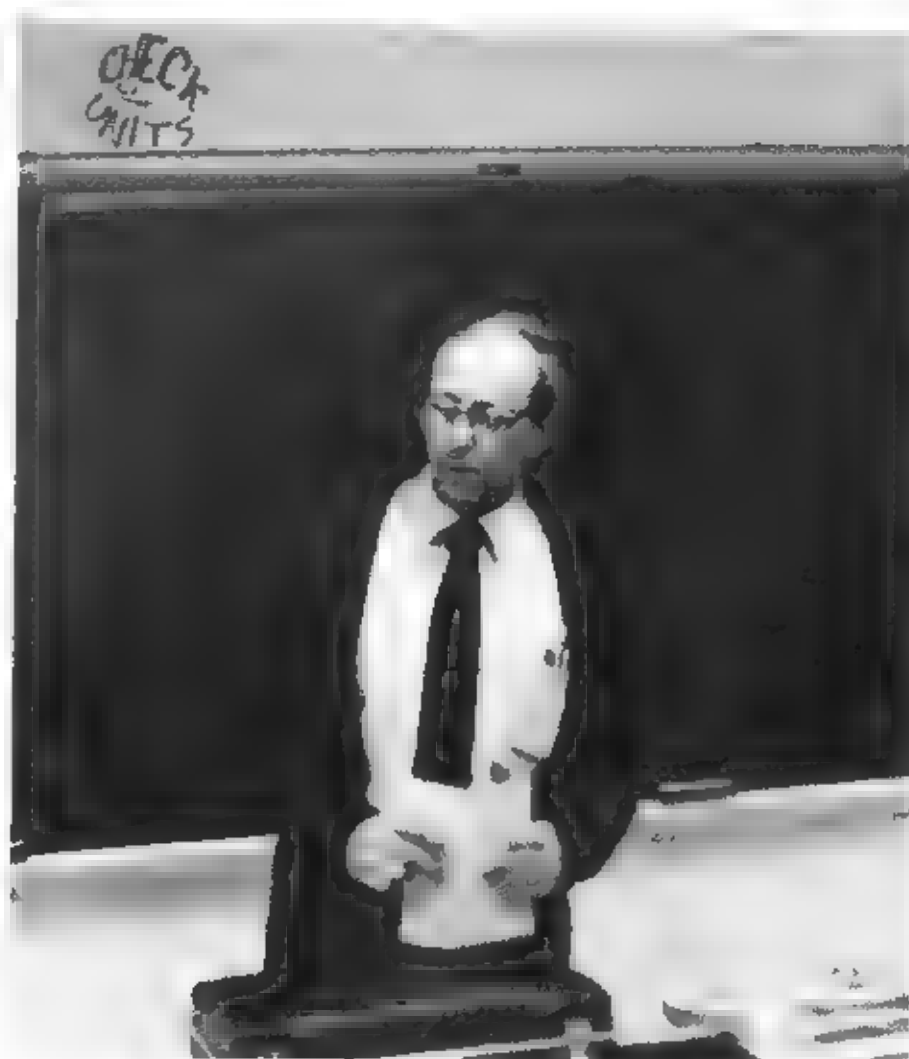

So I glued the ball to my hand .

Keep typing! This pen is registered with the FBI as a deadly weapon!

I knew I should have started this last night

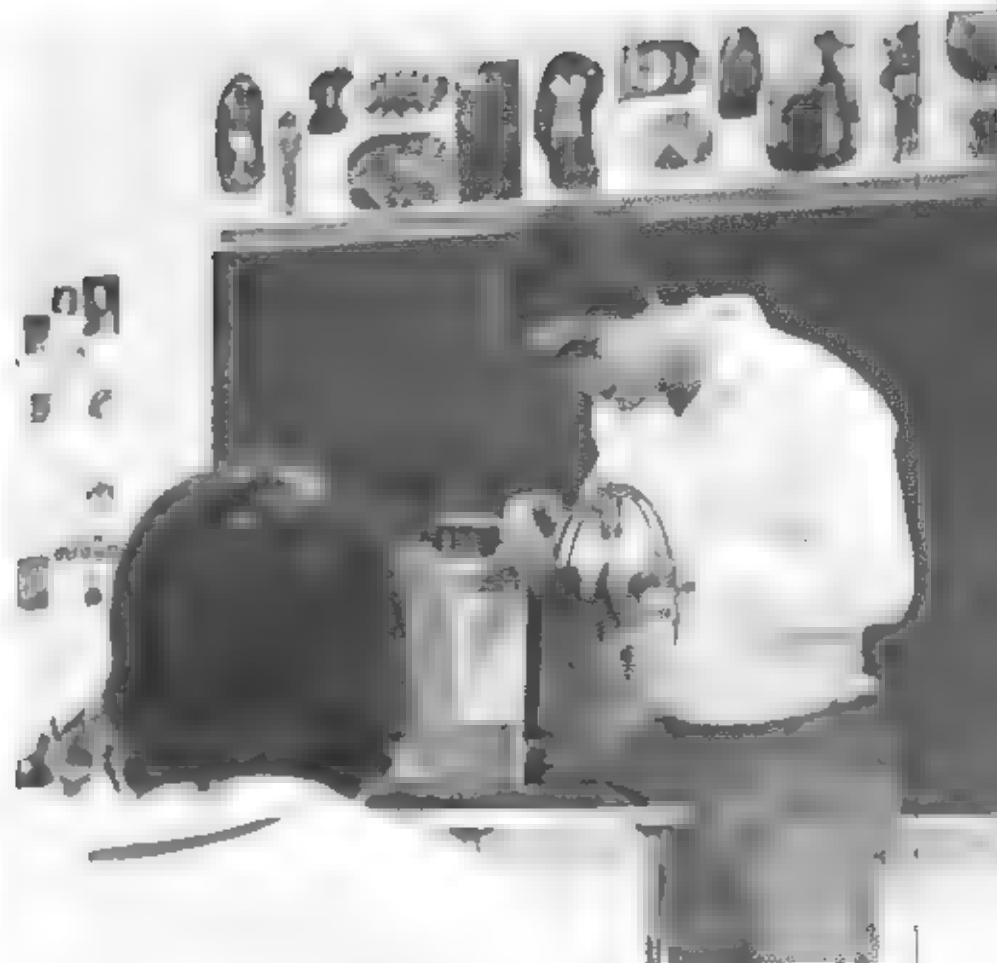

Did I just see what I thought I did?

Promise you won't tell?

No! I read "The Bells" six times already

Don't just sit there, help me!

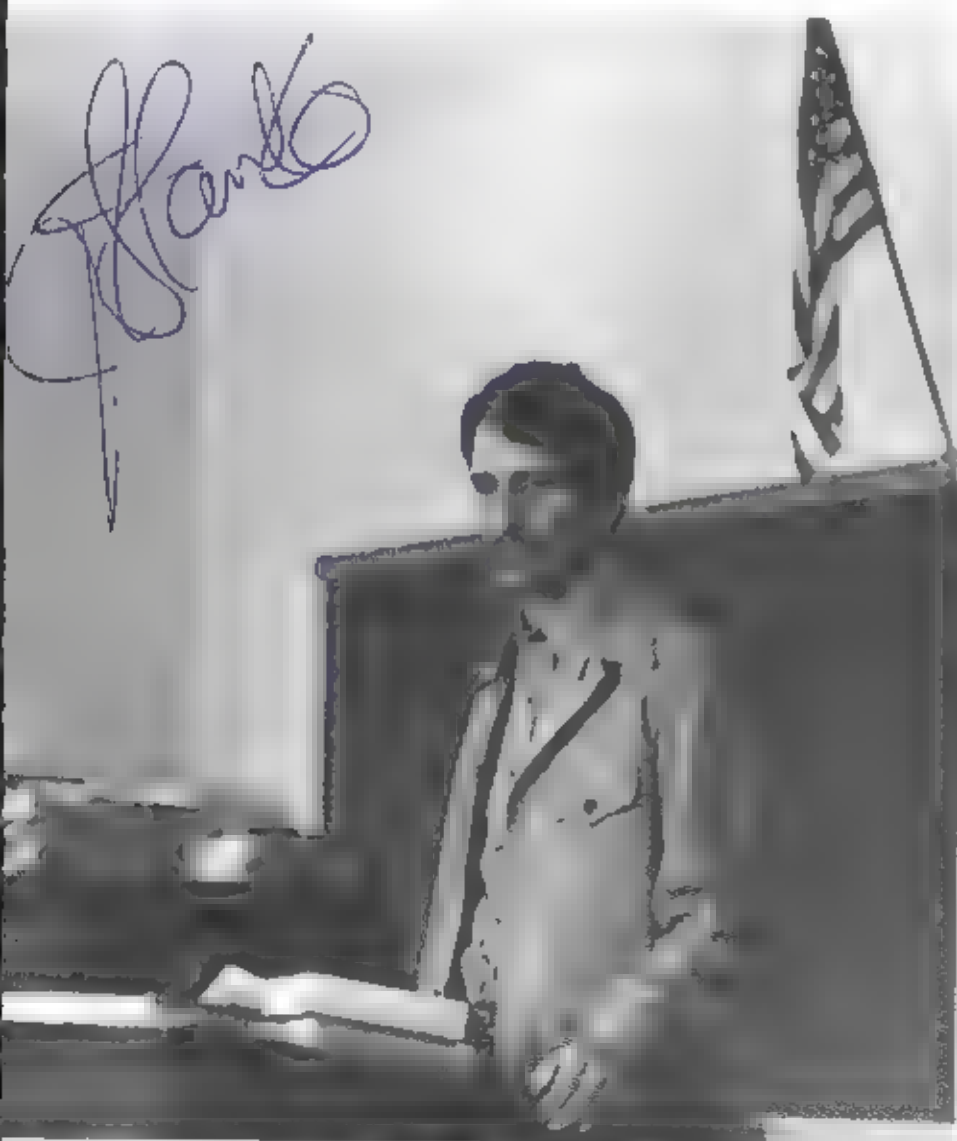

Take this back. I know a forged excuse when I see it

Holy Moly! I can't believe it

Honest! That's how it happened

That's disgusting!

Say that again!

Student Life is the general involvement of each person in school affairs. In addition to the eight hours of mandatory school work and time spent on our own in our studies, each one of us is responsible for creating the general atmosphere around the school. This includes attending any school related functions such as dances and sporting events, to simply sharing a few good times with friends and generally experiencing life here at Kane High School.

STUDENT LIFE

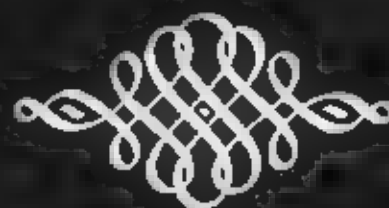

MISS KANE HIGH

Miss Kane High 1980-81. Pretty brown-eyed, talented Marli Eck. Always on the go, eager to help other people. Looked up to by many for her great looks and outstanding talent. Chosen by her classmates after a brief talent show. Lisa Anderson singing "Solitaire" and accompanying herself on the guitar, was chosen first runner-up.

The McKean County Fair. Practicing all summer, giving speeches at luncheons and club meetings, making new friends with the other area Queens. All this excitement topped with a talent show at the fair to decide the new Miss McKean County Fair. Marli sang her rendition of "Cool Change" and accompanied herself on the guitar, a job well done. "We were proud to have you represent us, Marli!"

PITTSBURGH PIRATES

CLASSMATES . . .

WHERE ARE THEY NOW?

Outside the sky is water color grey,
Newspaper says to look for rain today,
No one around for company,
And so I turn to memories to pass the time away.

Each face that flashes back to mind
Seems as it was untouched by time,
I can't recall quite all the names
Each one is precious all the same.

How strange to think
How many friends were lost somewhere behind

Where are they now,
How I miss those companions
Who walked the canyons of the night,
By my side.

Where are they now,
Like so many crazy dancers
We live only for the answers in a song,
But that was long ago,
Where are they now?

When love was new and wonderful,
There was no word impossible,
The future we saw with our minds
Was something of our hearts design,
Between today and yesterday
Life came between us all.

Lyrics by John Bettis

ACTIV

1891

The many activities offered at Kane High present the student with many opportunities to become involved in school affairs. Often, becoming a member of an active school organization is as much a part of a student's total education as math or English. The important characteristics of leadership and co-operation are gained from the many experiences of an active student.

I'LL NEVER FORGET GOOD OLD "WHAT'S HIS FACE"!

"Did I just see what I thought I just saw?"

"M-m-m Strawberry, my favorite flavor!"

"Now let's see how you like it, Rob!"

"WOW!!! How did they sneak *that* into the school?"

"Profound truly profound"

"See! I told you I could deck him!"

"I just can't take another day like this!"

"Who, me? I didn't do it!"

A CANDID VIEW OF KHS

"And just why, do you mean by that?"

"Quick, here she comes again! Hide me."

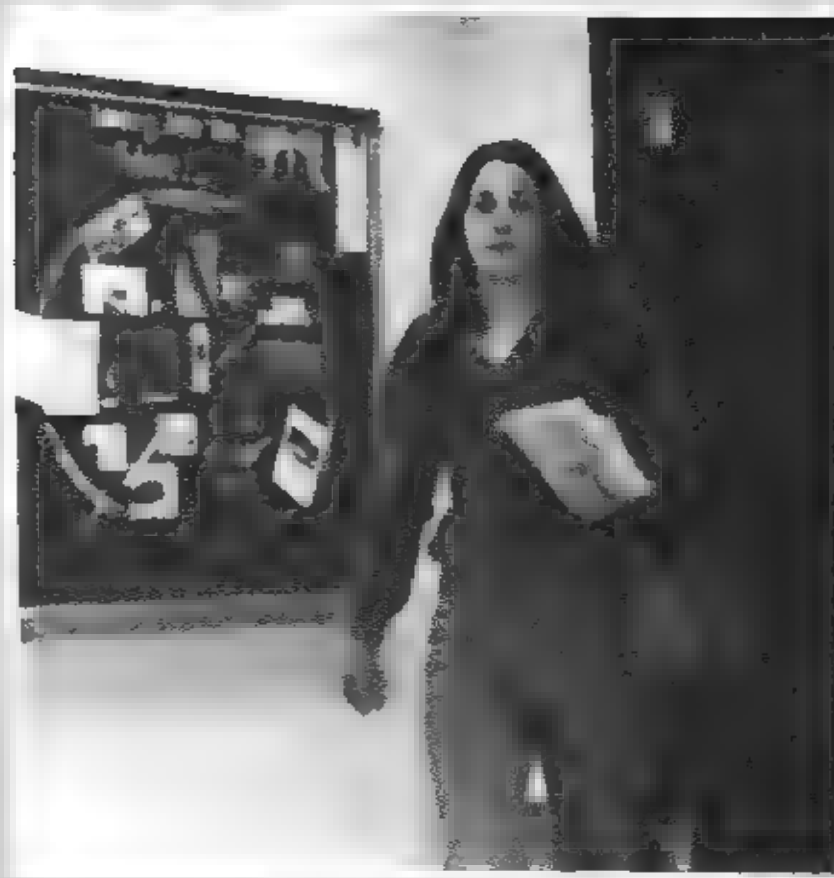

"to feed you every day. Kurt?"
